SHAMPOO

Crystal White Enzyme Shampoos:

Enzymatic Formulation: Green “Water mellon/Cucumber” (1.06 CRY W),

The most effective formula in color enhancing pet shampoo technology. This shampoo uses the properties of natural enzymes and powerful optical brighteners, in a palm and coconut base of cleansing agents to produce brilliant snow white coats. The natural enzymes in this shampoo digest protein based stains caused by urine, tears, blood, grass saliva and other organic soil and remove the soil with rinse water. Stubborn stains are removed after three or four baths. Color and contrast will be improved after two or three baths. A blend of botanical extracts stimulates, strengthens and highlights the coat. Works wonderfully on all colored pets! Heat positively influences the enzymatic action but is not required. 8:1 concentrate. Safe for cats. Appropriate for preparation of horses for parades and show baths for Cattle competition. Crystal White is popular with dark brown and black coats. Painted Horses, parade horses and cattle will be fine with Crystal White Shampoo. Hypoallergenic and Gentle. This formulation is in stock at over twenty EZ-Groom distributors around the world. Guaranteed to not create “Halo Effect” under mercury vapor lights. Use with Crystal Brite Conditioner to restore moisture and softness. Tearless and Hypo-allergenic.

Maximum Impact Shampoo Red “Cherry” (1.05 MAXI)

Super cleaning shampoo utilizes elegant cleansing agent, the latest developments in Shampoo technology for a gentle and Hypo-allergenic. 50:1 concentrate in bathing systems. This formulation includes special shampoo ingredients which function as skin anti-irritants while deep cleaning even the dirtiest pets. Maximum impact is the best value bath after bath. This is one of the few shampoos on the market that will positively remove the toughest and most difficult to remove filth including clay based stains. Special in the regard that it will not dry out the bather’s hands as do our competitor “equivalent” product. Safe for cats. Great for horses, cattle and other large animals because of its “LCP” Low Cloud Point technology enables shampoo to be fully rinsed off using warm or cold water. Tearless and Hypo-allergenic.

Filthy Beast Shampoo Amber “Tangerine” (1.40 FBST)

The most effective 50:1 natural shampoo concentrate available. FILTHY BEAST delivers superior cleaning at full dilution, resulting in the best cleaning power at the best price. Special ingredients for detangle, de-shed and dematting the hair. The botanical extracts in this shampoo are anti-inflammatory and soothing to the skin. Human cosmetic grade dimethicone temporarily closes the cuticle allowing reduction in hair shaft diameter allowing detangling and dematting, allowing access to the undercoat for removal of dead hair. Lovely for all pets. Rinses out in cold water making for a super fast rinse with minimal water when warm water is used, also making is very well suited for large animals including horse, cattle and sheep. 50:1 safe for cats. TIPS

CRYSTAL WHITE SHAMPOO: As a great stain removers wet the stained area, apply Crystal White Shampoo full strength, wrap lightly with plastic wrap and apply heat from dryer. This will active the enzyme and helps to remove stain. To keep under eyes and faces clean, apply crystal white to a wet cloth and heat for 10 seconds in the microwave (if microwave is not available use warm water) wash the face and under eyes using wet cloth, no need to rinse.

THE ANSWER: Mix 1oz. of the Answer to 15 oz of water in a spray bottle. Just before you begin drying mist lightly over coat. This will detangle the coat and help to make drying faster. Also leaves the coat silky without any heavy buildup.

CONDITIONER CREAM RINSE: To help eliminate shedding and control static. After bathing apply Conditioner Cream rinse and leave on the coat for 5 minutes. Rake or comb out loose coat, rinse well.

EAR MAGIC: Ear magic is not only the perfect ear cleaner; it is also an amazing skin treatment. Ideal for use on hot spots and clipper burned areas. Apply using a tissue or cotton ball to the affected area. Ear magic is also excellent for removing tree-sap and gum from the pet's coat.

EAU DER GONE: To eliminate smoke odors on pets, apply the Eau Der Gone to the pets coat and leave on for at least 5 minutes before bathing. This will remove the nicotine smell and leave the pet smelling fresh. This product may also be applied after rinse using it as a "leave on" odor destroyer.
